SUBJECT : Selection of Candidates by NIPA for

Career Education Awards

1. I have just been informed that 25X1A and have been selected as Agency 25X1A recipients of National Institute of Public Affairs (NIPA) Career Education Awards for one year of graduate study at Harvard and Stanford Universities. The Board of Trustees for NIPA was not able to accept our other two candidates,

These two individuals were considered to be highly qualified but because of space restrictions could not

2. I think the Agency should be proud of the fact that two of our candidates were approved. Likewise, should be proud of their personal accomplishment of successfully competing with candidates nominated by government agencies and departments throughout the United States.
